## TRIBAL GRANT FACT SHEET

Students wishing to apply for tribal or agency grant funds must submit their tribal or agency needs analysis form to the Office of Financial Aid Services for certification. After your financial aid application is complete, we will complete the form and forward it directly to the tribal or agency office and send a copy to the student.

In order for us to complete the school certification on the needs analysis form, you must complete the following steps:

- Be admitted to the University of Oklahoma as a regular student.
- Complete the Free Application for Federal Student Aid (FAFSA) online at [fafsa.ed.gov](http://fafsa.ed.gov).
- Submit all other required documents to the University of Oklahoma Financial Aid Services Office. Upon receiving your FAFSA information, Financial Aid Services will send a request for any other documents needed to complete your tribal agency form. This request may be sent by postal mail or to your OU email account.

**OU Financial Aid Services must have all requested documents before your needs analysis can be completed and forwarded to the tribal agency office.**

To facilitate the processing of your need analysis and tribal application, you should:

- Submit the FAFSA before March 1 prior to the fall, spring and summer semesters for which you are applying to receive tribal financial assistance.
- Submit all requested documentation and tribal/agency applications to the Financial Aid Services Office at least 6 weeks prior to your tribal/agency deadline. If required forms are not submitted in a timely manner as prescribed, Financial Aid Services may not be able to complete the required applications by the tribal/agency deadline and your tribal agency aid may be in jeopardy.
- Students should keep copies of all documents submitted to Financial Aid Services. Upon request, this office will date stamp your copies as an official receipt.

In order to assist you in obtaining grant funds, Financial Aid Services will process your tribal agency application on a priority basis once you have completed all the requirements listed above. **It is your responsibility to initiate and complete the financial aid application process in time to meet your tribal agency deadline. Failure to do so may result in loss of funding. Contact your tribal agency for their specific deadline.**

If you have any questions about the financial aid application process, please contact our office.
