PROCEDURES

1. **PREPARE** your music thoroughly – use a metromone, tuner, and make an achievable practice schedule
2. Sign-up for an audition time online via the OU Bands website: bands.ou.edu
3. Complete an online audition form with contact information and any **UNCHANGEABLE** class conflicts* with a large ensemble.
 - *This is not an ensemble preference selection
 - **This year's Fall Audition for Wind Symphony will set the roster for the full academic year due to the National CBDNA tour in late February. Exceptions will be made for student teachers placed in fall Wind Symphony, and special circumstances dealt with on a case-by-case basis in consultation between ensemble conductors and applied faculty.**
4. Email Franklin Piland at franklin.piland@ou.edu if you have a conflict with the audition time.
5. Results will be posted on the band and orchestra bulletin boards throughout the first week of classes.
