**Certification of Compliance
Hepatitis B, Measles, Mumps and Rubella (MMR)**

Oklahoma Statutes, Title 70 §3244, requires that all students who enroll as a full-time or part-time student in an Oklahoma public or private postsecondary institution provide documentation of vaccinations against hepatitis B, measles, mumps and rubella (MMR).

The statute requires that Institutions notify students of the vaccination requirements and provide students with educational information concerning hepatitis B, measles, mumps and rubella (MMR), including the risks and benefits of the vaccination.

The statute permits that when the vaccine is medically contraindicated and a licensed physician has signed a written statement to that effect, such student shall be exempt from the vaccination. Further, the statute permits a student or if the student is a minor, the student's parent or other legal representative, to sign a written waiver stating that the administration of the vaccine conflicts with the student's moral or religious tenets.
