Enrollment Summary Report

Notes and Definitions

1. Enrollment data are taken from a snapshot of student for-credit enrollment on the Official Reporting Date (ORD) for that semester. See dates at <https://www.ou.edu/irr/resources>.
2. Campus enrollments based on all students taking classes offered by that campus. Students may be enrolled on multiple campuses; therefore, campus enrollments should never be summed. Use the unduplicated counts provided for that campus.
3. Students in multiple degree programs/majors are counted in every college for which they have an active major code. For this reason, adding college totals may result in duplicate counts. Use the unduplicated totals provided.
4. As of Summer 2025, programs formerly housed in University College were transferred to Academic Affairs and Arts & Sciences, and the Polytechnic Institute has moved to be part of the Gallogly College of Engineering. Last year's data have been restated to match new reporting groupings.
