

OU Water Day

November 16, 2018

Mary Elizabeth Mach, PE

A photograph of a modern multi-story building with a mix of brick and large glass windows. A semi-transparent red overlay covers the entire image. On the right side of the building, there is a large red 'G' logo with the word 'GARVER' in red capital letters below it. Another smaller version of the 'G' logo is visible on a street sign in the bottom right corner.

Getting to
know Garver.
