Advanced Programs Welcome Letter

Dear OU Professor:

It is a pleasure to welcome you to RAF Mildenhall, home of the 100th Air Refueling Wing and one of two University of Oklahoma sites in England!

As the largest U.S. Air Force operated base in the United Kingdom, RAF Mildenhall covers more than 2,000 acres. Since 1934, when it officially opened, RAF Mildenhall has been at the center of aviation for the air forces of the United Kingdom and the United States. The 100th Air Refueling Wing, 352nd Special Operations Groups, several tenant units and its associated heavy aircraft are stationed here in support of U.S. and NATO commitments.

About 80 miles from London, RAF Mildenhall is located in East Anglia, a rural area comprised of four counties: Norfolk, Suffolk, Essex and Cambridgeshire. East Anglia, steeped in medieval history, boasts a unique heritage and fascinating character. It is an area of quiet, unspoiled villages and a varied landscape: dense pine forests, rich farmlands, rivers, and marshes that stretch east to the North Sea. Historical points of interest include Ely Cathedral, Cambridge, and the medieval town of Bury St. Edmunds. Abbey and castle ruins from the middle Ages dot the landscape and village churches allow visitors a look into the past.

This is a pleasant installation and has all the required facilities. For your information, your class will meet on base in a building nearby the Education Center. It is within walking distance of your room as are most other facilities on the base, although, due to periodic increased military use of lodging, it is quite possible that professors will be required to stay off base. In this case, M&L Taxi taxis can travel on and off-base. If you want to be prepared for the weather before you come, the local weather is available on web page http://www.bbc.co.uk/weather/ip28.

I look forward to meeting you and hope that you will enjoy your teaching experience at Mildenhall. If you have the time to see a bit of England, I would be more than happy to provide travel information. Please visit the web sites listed on page 22 of this guide, and do not hesitate to get in touch with me about any aspect of your trip.

Sincerely,

Mildenhall Site Director

**Arrivals and Departures**

**Arrival at Heathrow Airport (primary airport used)**

**Disembarkation**

After you have left the aircraft, proceed to Passport Control. If you have not already done so, you must complete a landing card provided by your flight attendant.

**Passport Control**

In the immigration hall, proceed to the desk that deals with your passport type (“Other Countries”). Present your passport and landing card for inspection.

**Baggage Claim**

Proceed to the baggage claim area. Please report lost luggage immediately to the airline.

**Customs Clearance**

Passengers arriving from outside the European Community (EC) must pass through either the Red or Green customs channels.

**Taking the Commercial Shuttle Bus**

Use the National Express Airport Coach (bus) service. Details, times, cost, pickup points and destination can be found at [www.nationalexpress.com](http://www.nationalexpress.com). Type in ‘Heathrow’ in the ‘from location field’ and ‘Mildenhall’ in the ‘to destination field,’ scroll to bottom of page and click on Times & Fares.

In order to take the correct bus, you should choose the Mildenhall, coach stop. Regardless of your scheduled bus time, your coach (bus) service’s final destination will be Norwich, which is posted on the front of the bus, with a stop at Mildenhall Village.

A taxi stand is at the drop-off point in the village for onward travel to RAF Mildenhall, Gateway Inn Billeting. A taxi will be unnecessary in most instances, since a Site Director will pick you up directly from the coach stop. As such, please note that it will be VERY important to contact the Site Director regarding arrival time to Mildenhall Village. National Express Service is the recommended service when flying into Stansted, Heathrow or Gatwick Airports for eventual arrival in the RAF Mildenhall/RAF Lakenheath area.

Departure times for the bus range 24 hours a day. The bus journey time will vary greatly depending on what time you’re departing the airport. It could take as little as approximately 2 and one half hours or as much as nearly five hours. The difference is due to stops in London and/or Stansted Airport on the way to Mildenhall Village. Please allow 60-90 minutes after you depart the plane on arrival to clear customs when planning your bus schedule.

**To Change Money**

There are Bureau de Change and bank services at all Heathrow terminals. Unless you plan to use a taxi when arriving in Mildenhall Village, it is unlikely that you will need British pounds before
your arrival on base. At RAF Mildenhall, you can use your ATM card to obtain dollars and pounds at any time.

**Please Note:** If you choose to take a taxi from the coach stop, the Site Director must meet you at the gate in order to escort you onto the base. Therefore, if you are arriving after office hours, you MUST notify the Site Director in advance so they are available to meet you. Otherwise, you may have to stay off-base for the first night.

**Arrival at Gatwick Airport (used for connecting from other sites)**

**Disembarkation**

Once you have left the aircraft, follow the 'Baggage Reclaim' signs that will lead to the immigration hall. An Inter-terminal rapid transit links the North and South Terminals. The transit is free and runs every three minutes on its journey of two minutes. **North Terminal:** British Airways, Delta Airlines. **South Terminal:** Air France, Air UK, American Airlines, Continental Airlines, Northwest Airlines, TWA, and Virgin Atlantic.

**Passport Control**

In the immigration hall, proceed to the desk that deals with 'Other Countries' passports. You must complete a landing card provided by your flight attendant. Handling agent representatives can provide a card if you did not receive one on the aircraft.

**Baggage Claim**

In the seating area after Passport Control, look for your flight number on one of the television monitors. The message will let you know when your baggage is ready to collect. Free trolleys are available in both terminals.

**Customs Clearance**

You must clear customs after you claim you baggage. Use Red Point to declare goods and the Green Channel if you have nothing to declare in excess.

**Taking the Commercial Shuttle Bus (referred to as ‘coach’ in UK)**

Use the National Express Airport Coach (bus) service. Details, times, cost, pickup points and destination can be found at [www.nationalexpress.com](http://www.nationalexpress.com). Type in ‘Gatwick in the ‘from location field’ and ‘Mildenhall’ in the ‘to destination field,’ scroll to bottom of page and click on Times & Fares. In order to take the correct bus, you should choose the **Mildenhall** coach stop Suffolk option. Regardless of your scheduled bus time, your coach (bus) service’s final destination will be **Norwich**, which is posted on the front of the bus, with a stop at Mildenhall Village. A taxi stand is at the drop-off point in the village for onward travel to **RAF Mildenhall**, Gateway Inn Billeting.
