

# SEVEN REASONS WHY YOU SHOULD CONSIDER THE ENERGY MANAGEMENT MAJOR

- 1. This major provides you with the skills to work and become a leader in all phases of the energy business.**
  - » Over 16% of Energy Management graduates have become senior executives or owned their own company.
  - » Over 100 of our graduates have become President/CEOs.
- 2. The uniqueness of the program is attributable to cross-campus collaboration incorporating classes from four of OU's strong energy-based colleges:**
  - » Price College of Business, Mewbourne College of Earth and Energy, College of Atmospheric and Geographic Science, and the College of Law
- 3. Internships are plentiful and a critical aspect of students' success. Applying real-world experiences with the program curriculum is essential and a top priority for the program director.**
- 4. Energy industry experts teach all core classes.**
- 5. The Energy Management program director brings a president/CEO perspective to students on a daily basis.**
- 6. The Energy Management program is the first of its kind and is the largest and longest-running Energy Management program in the world.**
- 7. Highest average starting salary in all of Price College.**

## ENERGY MANAGEMENT STUDENT ASSOCIATION

- **Active student association that began in 1959.**
- **EMSA members receive scholarships:**
  - » Over \$352,000 this year and over \$1,000,000 over the last four years
  - » Over \$5 million have been awarded since 2009
- **Student activities include:**
  - » Industry recruiting events
  - » Majors Mentoring Program
  - » Community service events
  - » Trips [Field/Wind and Solar Farms, Midland Texas/Rigs/North American Prospect Expo (NAPE), Houston, Texas]
  - » Free memberships in American Association of Professional Landmen (AAPL)
