The document contains survey results for a course taught by Instructor Robin Wilmes. The course is titled "PRIN OF ENGL COMP" and is identified as ENGL 1213-037. The data is presented in a table format with the following sections:

1. Amount you learned in this class.
2. Overall, the course was.
3. Instructor's ability to encourage critical and independent thinking.
4. Instructor's ability to stimulate continuing interest in the subject matter.
5. Overall, the instructor's teaching effectiveness was.

The table includes columns for the mean response, median response, standard deviation, number of responses, and ratings for different criteria. The ratings are presented in a scale from 1 to 5, with higher numbers indicating higher satisfaction.

At the end of the document, there is a note indicating that all questions, responses, and calculation explanations are included at the end of the report.
