FROM: André-Denis G. Wright   
Senior Vice President and Provost, Norman Campus

DATE: January 13, 2026

SUBJECT: UReCA Summer Fellowship

Building off the successful summer of 2025, I am pleased to announce the Provost's Undergraduate Research and Creative Activity (UReCA) Summer Fellowship for Summer 2026.

The Summer UReCA Fellowship is intended to provide support to enable students to perform undergraduate research or creative activity over a ten-week period during the summer. The UReCA Summer Fellowships are open to all students in any discipline supervised by an OU faculty mentor. The research or creative activity performed over the summer should result in a thesis, journal article, presentation, show, or performance that contributes to the creation and dissemination of knowledge and creative works.

The Summer UReCA Fellowship provides a \$5,000 stipend for the student and \$1,000 for supplies for the student to help support the student's research and creative activity. All Summer UReCA fellows are required to showcase their projects at the UReCA Showcase in October of 2026. We ask faculty to share this information with students and consider serving as a mentor for applicants.

Information sessions for students will be held on January 28, 2026, at 11:30 a.m. in Bizzell Memorial Library, Room LL118, along with an OU Writing Center workshop on February 2, 2026, in Wagner Hall, Room 280, at 5:15 p.m. [Register via Engage](#) for these events to ensure adequate seating.
