SENATE SESSION 26

April 9, 2026

SENATE RESOLUTION GS26-19

AS INTRODUCED

A Senatorial Resolution addressing student concerns regarding campus safety and the campus environment; affirming the rights of international and immigrant students; providing resources for students; and providing for distribution.

**Preamble:** This resolution includes a set of resources for individuals concerned about immigration enforcement on campus and in the broader community. We encourage everyone to review those resources and to know their constitutionally protected rights. We also encourage everyone to know what resources are available in a crisis.

**Whereas:** The mission of the University of Oklahoma (OU) Student Government Association (SGA) is to support the University's advancement by prioritizing student voices at every degree level; to advocate for the holistic development of each student; and to promote civic engagement and community involvement across campus.

**Whereas:** Student safety and wellbeing remain an utmost priority for the Student Government Association.

**Whereas:** Recent actions by the US Department of Homeland Security (DHS), US Immigration and Customs Enforcement (ICE), and US Border Patrol, which have made local and national headlines<sup>1, 2, 3, 4</sup>, have negatively impacted student wellbeing at the University of Oklahoma and have created concerns for safety on campus.
