- Motion: Senator Hurst (59), seconded by Senator (37)
- Presented by Leo:
  - This bill recognizes free speech on campus and urges the university to continue supporting free speech in public forums on campus.
- Senator Hurst (59): Motion to pass via unanimous consent
- No objections. Bill Passes.

#### **New Business:**

- GF25-15: SGA Compensation Alteration Delay Act
  - Motion: Senator Baskin 69, seconded by Senator Biwa (14)
- Bill presented by the author, Coleman: The bill intends to remove conflict of interest for paid positions in SGA (including the SGA president, Vice president, Chair of GSS etc.) by delaying any voted upon salary increase to the following election cycle.
- Questions:
  - Vice-Chair Dana: Raises have to pass through both houses. Understand no conflict of interest in wanting to nominate someone for a raise. What addition does the delay add so
  - Summer: follow up question: would they even get the raise
  - Senator (37): justification for the raises? And how do we determine which committee chair gets a stipend
  - Senator Jensen (3): might requiring people to abstain from the vote instead of requiring a delay?
    - Colman: this comes from the bodies wanting to go oversight.
    - Senator Jensen (3) both chambers already have to look at the bill before this passes, what history are you referring to?
    - Coleman: not the individual, difference between giving the individual a raise and giving the person a raise.
    - Senator (68): couldn't we just bar the person the person getting the raise?
    - Senator Ward (34) Is there a way for a happy medium? Not assigning a merit raise vs. a title raise
    - Senator Estava-Ingram (56) The stipends are based on the amount of time dedicated to the position. If we give the raise based on the amount of time this person dedicates, does that make sense.
    - Colman: If we strike the code, this would be increasing the next person's work load in related to the work load for the entire position.
    - Vice-Chair Dana: Why don't we just write into the code as the raises come instead of adding extra restrictions.
  - Senator (56) Motion to extend the questioning period. Seconded by Senator (14).
    - Senator (34): Would there be a way to just cap the maximum office hours?
    - Coleman: doesn't want to put a cap on the stipend.
  - Chair Summer: Seeing no more questions, we are now opening the debate floor:
    - Senator Lancaster (71): Why don't you want to cap it [stipends]?
    - Senator Jensen (3) We shouldn't expect that of the next person. We want to be able to reward particular people for a job well done. The people in the current position have the experience to know how many hours the job entails
    - Coleman: there is no way without changing our code or bylaws
    - Senator (3): Why don't we write into the bill that the people that would benefit from a raise must abstain?
    - Coleman: specific office hours

- Senator (34): I still think that trying to come to a happy medium would go into effect- we can have the people for which a conflict of interest presents abstain from the vote.
- Vice-Chair Dana: Asked to clarify the SGOS office bill question of raises and changes in the hourly rate.
- Answer: SGOS changes how the hourly employees and advisor are paid, but the salaried officers are unaffected by the former bill other than allowing George some power to pay students wishing to work in their position for summer.
- Motion: Senator Jensen (3) motions to move to a roll call vote. Seconded by Senator (13)

Roll call vote:

Pass:

22, 17, 04, 28, 15, 26,

Not pass

64, 69, 70, 37, 13, 55, 3, 34, 45, 52, 59, 50, 71, 6, 48, 14, 67, 75, 58, 69, 29, 65, 82, 73, 56, 57, 11, 38, 49, 47, 53, 81, 8, 80, 24, 23, 16, 79, 60, 51, 66, 36, 41, 33, 11, 36, 30, 50, 35, 36, 9, 42
