Items to Be Considered
960503 An Act Putting the Game in Game Room (Watts)
Rains sec Watts
Watts: This is putting games in games rooms act, Union was going to renovate game rooms by crossroads. They still have plans just not money, thought of a few games we could install, foosball table, darts, pool tables. Total cost is in the region of $5000, were going to throw in about $3500 and they will cover the rest of that funds. Maintence and upkeep will be handled by the union. We agreed concurrently arcade games hard to manage, ether be free or charged and money sink up so actual physical games better
Rains: who manages the supplies for the games?
Watts: Not a lot of problem with that, since installed pool tables only one pool ball has gone missing. I think if people did start stealing them union would replace them since union is responsible for upkeep.
