Approval of Minutes | October 14, 2025

Officer Reports -

- **Chair's Report:** Hi, all! I'm excited to see you all tonight. I know there was talk about being able to ask questions and interact with President Harroz, and while there are a number of student events that you can interact with him at - I wanted to share with you all a "Hey, Harroz" link that he is doing for his podcast. This is a great opportunity for you to ask him questions and give topics that he will discuss on his podcast. I also was asked to share with you that RA applications are open now until January 23, 2026. I have forwarded graphics to Secretary Wintory that he will share with the minutes! I also wanted to congratulate Susty on a successful trash walk this weekend!
- **Vice Chair's Report:** Howdy everyone! I don't have much but make sure that you're staying diligent with your CSPs, I do report the people who don't do them to the secretary for an absence for the month. If you have questions about CSP opportunities reach out to your committee chair first.
- **Secretary's Report:**

Committee Reports-

- **Campus Outreach, Safety, and Concerns:** Hello everyone! COSCO met officially this past week, and we had some great discussions about our projects. A couple updates for everyone: we will be hosting Coffee, Coco, and Cookies with Congress on December 3rd! This will be a chance for people to come chat with people in congress, and we encourage anyone who can attend to join us! More details to follow. Secondly, our next light walk will be this coming Sunday at 7:30pm! The Light Walk GroupMe is in the Session 114 GroupMe, please join for easy communication. I hope to see everyone there!

- **Congressional Administration:** ConAd met officially Sunday, and we have a Rec of Due Pass for CB-114-13. We appointed Morgan Hausz as our Ex-officio to the Election Commission and went over all our projects.
- **External Affairs:** EA met officially this weekend. I'm actually very proud of us. Estrella, Sam, and George made really good progress on our public transportation project. They were able to meet with a representative from the city of Norman and Glenn who is in charge of parking on OU Campus. They figured out a lot of public transportation resources, so we're really excited to get those out soon. So give them a round of applause. And then we also made a lot of progress in our bar safety project Reese and Himani and Ava. We actually are distributing more information on posters to the bars and we're advising Greek life and reaching out to those organizations to pass out posters. So, EA's making good progress.
- **Human Diversity:** Met officially this weekend, went over a lot of projects. Set some gameplans for what we're going to achieve over the next few weeks. Just a reminder we are having our annual community potluck November 21st at 5:30 PM at Second Wind coffee house. Please be there and please sign up to bring a dish, we do have resources for ingredients if you need help. Please show up that would be such a good CSP opportunity and a great way to connect with students who won't be able to go home.
- **Sustainability:** Hello everyone, Susty did not meet this past weekend, we had our first Trash Walk which was quite successful, I'm pleased with the turnout. I am conducting Vice Chair interviews and will have the chosen candidate at our committee meeting Sunday. Thank you.
- **University Policy:** UPol met officially last Sunday. We talked about our projects and went over some resources we thought were important for our members. We have some bills in the works for some of our current projects that we will be hopefully seeing soon in the body, including student quality of life, top hat enforcement, and student wages. We have had interest from members outside of UPol to work on some projects, so we have recently added projects for campus market pricing, and potentially classroom cleanliness.
- **Ways and Means:** Hey everyone! I have closed the auxiliary application process because the chances that SGA will have funds to allocate to any more applicants than we already have is slim to nonexistent. We met this last weekend and discussed possible improvements in the purchasing process with SBSC and conducted our SWOT analysis Survey. Thank you.

Items to Be Considered

On a motion to see CR-114-06 Rhoads seconded by Wang

- CR-114-06 "National Freedom of Speech Week Resolution of 2025" (Carter/Bregnard)

Author's Explanation:

Representative Carter: So free speech obviously is a huge part of our democracy and our ability to reflect change and diplomacy in our society. So this legislation just says that OU is going to protect students who do peacefully protest and encourage others doing so. Sam here is also new to the body, so we wanted to use this opportunity to get him more familiar with what writing legislation looks like.

7:19 Time remaining for questions

- **Chair Rhoads:** Would you accept a friendly amendment that was suggested by the GSS changing the word thanks in section 6 to urges.

- **Representative Carter:** Yes.
- **Gilson-Bond** what was the reasoning behind having TPUSA but not OU Dems?
 - **Representative Carter:** That's a good point, do you want to amend that?
- **EA Chair Rhoads:** Would the author accept a friendly amendment to add both the OU Democrats and OU College Republicans?
 - **Representative Carter:** Yes thank you for correcting our oversight.
- **Representative Burnett:** I know last year we had this bill last year. What changes did you make from last year to this year to improve it
 - **Representative Carter:** Updating a lot of the research in the whereas clauses, and also updating the dates in it to 24 to 25 of course.
- **Representative Burnett:** Is writing new legislation scary?
 - **Associate Bregnard:** I'm going to be honest, I didn't do much. So not really.
- **Associate Sneller:** As a member of the OU Chabad, we no longer have an OU Hillel, so can I ask for a friendly amendment to change that to OU Chabad?
 - **Representative Carter:** Yes.
- **Representative Burnett:** What was your favorite part about writing this bill?
 - **Associate Bregnard:** Free speech, I love free speech!

Passed unanimously 35-0-0

On a motion to see CB-114-13 Beasley seconded by Hicks

- CB-114-13 "SGA Compensation Alteration Delay Act" (Christiansen/Morgan)

Author's Explanation

Representative Morgan: This bill is in regards to the SGOS that was passed a couple weeks ago that basically just says that any alteration has to be kinda given oversight by congress or in the case of a GSS officer, the senate. This just kind of ensures that we hold some kind of review in the change of the salary. So God forbid anyone was just trying to increase their salary, we had some say in that.

7:34 time remaining for questions

- **EA Chair Rhoads:** What was the reasoning for putting scheduled votes of no confidence?
 - **Representative Morgan:** That is something that we did not have initially, and we had it amended in ConAd. That was just more oversight truly. We have officers in there, and then you have those appointed to the position such as the budgetary position. They're appointed both in the Winter and in the Spring. So I see no reason why we can't look at our officers more than twice a year.
- **EA Chair Rhoads:** For example last year, our vice chair was no confidence. Say someone has the wrong intentions for no confidencing someone, someone could just do this to get a raise?
 - **Representative Morgan:** I think that's a possibility, but as a whole that this body is going to act in the right way towards that situation. So I don't think anyone's going to bring a vote of no confidence and go through that process just against one of their peers to simply get a raise. I don't anticipate that being an issue.
- **Representative Hawkins:** Is this just a prevention bill?
 - **Representative Morgan:** Absolutely, yes.
- **Representative Toyos:** This is just regarding congress or oversight for everything?
 - **Representative Morgan:** This is going in the code annotated this would just affect congress and senate. We initially had the President and VP in there, but we had an

opinion from General Counsel saying that we were good to go with this language. However, just for ease, we took it out of there. So no president or vice-president in there as they are already in the constitution.

- **EA Chair Rhoads:** Would you accept a friendly amendment to remove the scheduled vote of no confidence from the Stipend Alteration Delay Section?
 - **Representative Morgan:** Yes.
- You mentioned in your author's explanation that this has to do with SGOS, just to clarify SGOS has no oversight over our positions? SGOS only applies to office assistance essentially. So that never applied to us.
 - **Representative Morgan:** In my opinion, there was some disagreement over the language in that bill. So as purely a preventative action, we went ahead and did this. I'm not saying that it was completely taken away from us, but I'm also not saying that it's not a possibility. So there was some disagreement there.

Follow-Up Reports

Announcements and Comments

Election Commissioner Savage: As you guys know campaigning has begun. Our representative seats, I'm sure you're aware where you can vote and what college you're in, so look out for those candidates. But also Presidential election, last year, you know, we had an uncontested election. I'm very happy to report we actually have 3 different candidates. You can hear from all of them next Monday at 7pm in the Meechum auditorium. This is an event I put on every year with the campaign time coming around, they're going to be able to talk about their points, their platform, answer questions you guys have. You can also submit questions, there's a link in the groupme right now. So show up, learn more about those candidates.

Representative Burnett: QSA is having our biggest event of the year with Crimson and Queens. If you know who this is, you're awesome, if you don't you're lame. Jaida Essence Hall, winner of RuPaul's Drag race is coming here. If you guys want come, if you're a student you can get into the event for free. But if you want to do a meet and greet with all our performers, it's \$25. If you have people who aren't students, they can still come. But they have to be above the age of 18, they're very strict on that. But for a non student, the tickets are \$35 and the IP is \$75. It's this Sunday at 7pm and I hope to see you all there. It's going to be fun.

Associate Bregnard: If you were here last week, Josh mentioned that he and I are starting a rotary club. We are having our first general body meeting tomorrow at 5:30 at Adams hall 3106. We're making Pb and J sandwiches for the Norman Food and Shelter. If y'all want to come that would be great.

Representative Fisher: Engineers club will be hosting a tail gate this Saturday at 1 pm, cooking our legendary engineering burgers. Next Tuesday we're hosting a haunted house over in e-quad. It's going to be in the Carson interview center. Y'all should pull up because we got crazy themes going down there, and I'll bet y'all will get scared.
