Officer Reports -

- **Chair's Report:** Hi, everyone! As you can see, we have no legislation on the agenda today, but we will be hearing from two more presidential tickets: first from the Lapp-Wang campaign and then from the Mitei-Rench campaign. I did want to take an opportunity to congratulate Election Commissioner Savage on a wonderful forum (the microphones were not his fault). Other than that, we are officially in election week! Voting will begin Thursday at 8 am and conclude the following day, Friday, at 8 pm!
- **Vice Chair's Report:** Howdy everybody, I know im going to gripe on CSPs again. Just wanted to give you an update about who is in first place, sustainability. Shoutout to Lexi Evans who has 5 and Trey Brite has 4. I'm very grateful for you all who submit your CSPs.
- **Secretary's Report:** Nothing to report.

Committee Reports-

- **Campus Outreach, Safety, and Concerns:** Hello everyone! COSCO did not meet this week, we instead held our second light walk of the semester. Thank you everyone who turned out, make sure to submit your pics for a CSP! We will be holding our next light walk next week right after our general body meeting, which should hopefully make it easier to turn out. Thank you!
- **Congressional Administration:** ConAd met officially on Sunday, and we went over our projects. I am also pleased to announce that our new Vice Chair for ConAd is Coleman Morgan!
- **External Affairs:**
EA Chair Rhoads- EA met officially this weekend. Our lovely vice chair Leo Carter actually led the meeting. Actually, do you want to give this report? I wasn't even there.

Representative Leo Carter- We're making good progress on all of our projects, just wanted to thank everyone for showing up and bringing the best that they've got. Yes, and the civic engagement forum this year has been moved to December 5th. So, pull up.

- **Human Diversity:** HD met officially this weekend. We did some project updates, and as far as the potluck is concerned, beyond just the potluck being a CSP, we also wanted to provide a couple additional opportunities. We will be tabling from November 3rd through the 7th for several hours in the Union. So, if you are available, the link is already in the Groupme, but I'm going to send it out right now. So please consider signing up. If you do an hour of tabling, we will give you all the information you need to know, and that counts as a CSP. So please show up.
- **Sustainability:** Good evening, everyone, Susty met officially this past weekend and welcomed our new Vice Chair Alexis Evans. We also discussed our projects, collaboration with RSOs, and plans for the next few weeks.
- **University Policy:** Hey everyone, UPOL met officially this past Sunday. We just talked about our projects and then went over some general business. We also briefly talked about our mission statement for UPOL which we will be trying to change to better represent the mission of UPOL. so be on the look out for a bill on that in the next week or two. Besides that, given Coleman's power-hungry ascendancy to ConAd vice chair, I am officially opening up applications for UPOL secretary by the end of this meeting. I encourage anyone in the body who is interested in being secretary to apply for the position. If you guys have any questions about being secretary, please feel free to talk to me after this meeting. Besides that, that is all. Thank you.
- **Ways and Means:** WAM did not meet this week, some members of the committee are working to go over ways that spending for RSO's can be done more effectively.

Announcements and Comments

Representative Burnett: I know I bother you guys every week, but QSA has a lot of fun events. We have our GBM on Thursday at 7pm in Jim Thorpe. Basically, we're going to be packaging some nonperishable foods for the local food bank, in Norman. We will be watching Rocky Horror. If you don't know what that is, then come to our GBM and find out.

Associate Morgan: Mecca told me to tell you guys to go to the tunnels of terror, but that started at 7. And I'm not even sure if it's still open.

Election Commissioner Savage: Elections will be this Thursday and Friday. Obviously you guys have heard from these candidates. They worked really hard on these campaigns. They did forms and posters, all that kind of stuff, so really make sure to vote it takes like 30 seconds part of your day. And shows their work paid off in some way. Also, representatives as well. Those are literally going to be the guys, guys and gals who are working with you the rest of the year. So, make sure you're taking the time to learn more about what they do, are, and want, stuff like that. Please vote, it'll take

30 seconds and it's on engage. For those of you who are currently running, I'm looking to have things out before 9pm on Friday. Should be a quick turnaround for you guys. If you have any questions let me know after the meeting.

Representative Higareda Castillo: I know you guys love it when I talk about Miracle mindset, so I'm going to tell you about it. Next week, we're having out NM week, which is our fundraiser week. This week is really important for us because that's the money we get for scholarships to hand out for our students. We will have a bake sale on Thursday. We have chipotle fundraising night too. So please go to our Instagram, Miracle Mindset, and check out all the opportunities next week. Last year we fundraised about \$5,000 and gave out 10 scholarships, so we're hoping to give out more and give more money.
