This can include exclusion from University affiliated entities, including student organization activities, for a period of time or until the student meets certain conditions. Disciplinary probation will remain on the student's Student Conduct record for a specified period of time or until the student meets specified conditions.*

IV. Student Conduct Proceedings

Student Conduct Proceedings are the University's means of affording procedural due process to students who may be sanctioned for engaging in prohibited conduct. The Student Rights and Responsibilities Code Procedures, attached hereto as Appendix A, provide a step-by-step explanation of those proceedings.

V. Direct Administrative Action

A Direct Administrative Action (DAA) is an action that places immediate restrictions upon a student's rights within the University community, up to and including a removal from the University community. A DAA is not a final sanction; it is a temporary measure that may be undertaken during the pendency of appropriate due process. A DAA may be imposed only by the UVPSA or other appropriate official vested with such authority when necessary for the welfare or safety of the University community; to maintain order on the campus and preserve the orderly functioning of the University; to stop or prevent interference with the public or private rights of others on University premises; to stop or prevent actions that threaten the health or safety of any person; or to stop or prevent actions that destroy or damage property of the University, its students, faculty, staff, or guests.

When a DAA is imposed, the Office of Student Conduct shall review the facts and circumstances to determine whether Student Conduct Proceedings should be initiated, whether to recommend to the UVPSA or designee that the DAA should be lifted, or whether some other University action is appropriate.

VI. Holds, Records, Transcripts, and Registration

The University may place a Student Conduct hold on a student's records during the pendency of Student

This policy may be revoked or rescinded and is subject to Board of Regents' approval.

Conduct Proceedings. A Student Conduct hold prohibits a student from registering for classes until the Student Conduct Proceedings, including any review procedure, are complete. Upon conclusion of Student Conduct Proceedings, the University may continue a Student Conduct hold on a student's records until the student satisfactorily completes all sanctions.

The University may place a Student Conduct hold on a student's record if a student is suspended as part of the sanctions, prohibiting a student from being admitted to or registering for classes at any campus governed by the Board of Regents of the University of Oklahoma. A Student Conduct hold shall remain in effect until the suspension period is over, the student has complied with all conditions and/or sanctions and has reapplied and been readmitted.

Records relating to non-academic student conduct matters are a part of the student's overall education record; however, Student Conduct charges and sanctions are not noted on official student transcripts, except where academics are incidentally affected (i.e., the transcript for a student suspended during a semester after the add/drop deadline will reflect withdrawal from any courses in which the student is enrolled).

VII. Authority and Jurisdiction

The Board of Regents of the University of Oklahoma is charged in the Constitution of the State of Oklahoma with governing the University, and nothing in this Code prevents the Board of Regents from establishing or amending rules or procedures in order to fulfill its responsibility. The UVPSA shall be vested with the authority to establish and operate a Student Conduct Office. The UVPSA or designee has day-to-day responsibility for Student Conduct matters and maintenance of records of all actions taken.

The University will initiate Student Conduct Proceedings under this Code within one year from the date that the conduct becomes known to the Student Conduct Office. Provided, however, Student Conduct Proceedings shall be initiated immediately upon receipt of findings from the Office of Institutional Equity. Student Conduct Proceedings may be carried out prior to, simultaneously with, or following civil, criminal or licensure proceedings, at the discretion of the University.

This Code applies to the on-campus conduct of all students and registered student organizations, including conduct using university computing or network resources. The code also applies to the off-campus conduct of students and registered student organizations in direct connection with: academic course requirements or any credit bearing experiences, such as internships, field trips, study abroad, or student teaching; any activity supporting pursuit of a degree, such as research at another institution or a professional practice assignment; any activity sponsored, conducted, or authorized by the university or by registered student organizations; any activity that causes substantial destruction of property belonging to the university or members of the university community, or causes or threatens serious harm to the safety or security of members of the university community; or any activity which could constitute a criminal offense as defined by local, state or federal law, regardless of the existence or outcome of any criminal proceeding.

This Code may be applied to behavior conducted online, via e-mail, text, or other electronic medium.

This policy may be revoked or rescinded and is subject to Board of Regents' approval.

VIII. Review of the Student Conduct Code

The UVPSA, in collaboration with each campus Provost, will appoint at least five (5) persons, including campus Student Conduct representatives and presidents of each campus student government association to review and make recommendations for the revision of this Code every three (3) years, or sooner, if needed. The Committee will solicit input from representatives of the legislative bodies of each campus, and campus student associations as needed. The Committee shall share this input, together with any other observations or findings of the Committee, with the UVPSA. The UVPSA shall consider all input and recommend changes, if any, to the Board of Regents.

The UVPSA, in consultation with the Office of Legal Counsel, is authorized to amend this Code as may be required for compliance with applicable federal, state, local law, applicable regulations, or University policy.

This Code and the Procedures shall be effective beginning November 11, 2025.
