## *Partnership Opportunities with Fraternity and Sorority Programs and Services*

*Fraternity and Sorority Programs and Services (FSPS) at the University of Oklahoma is a vibrant community filled with over 7,400 scholars, leaders, and future professionals. Our community is comprised of five councils, serving as umbrella groups for the 52 Greek-letter organizations on campus. Each year, our community attracts nearly 3,000 students in our recruitment and intake processes. Additionally, we reach over 1,500 students through Greek Preview Day for high school seniors, as well as their family members. As an FSPS partner, you can gain meaningful exposure to OU students, families, alumni through sponsorship and partnership with our community.*

*We believe Greek letter organizations build better citizens for the future and we hope you will partner with us to "Grow Greek" and advance this cause.*

### **FSPS EXPERIENCE GUIDE | PRINTED MAY 2026**

Each spring, FSPS publishes a consolidated recruitment manual for all five of our Greek councils. This publication is printed and released online and is geared toward incoming students and families. It is provided to all incoming students and families during OU orientation in the summer.
