

Fraternity & Sorority Programs and Services Mandatory Educational Sessions

Spring 2026 Semester

As mandated by the University of Oklahoma and Fraternity and Sorority Programs and Services, **all new members** of Greek organizations must attend an educational session that will cover the following topics: hazing education and reporting information, alcohol and other drugs safety, and active bystander education.

These sessions will be presented at the following times for the Spring 2026 semester. Each of the sessions below will include all topics listed above. All new members of any governing council only need to attend one of the below sessions to meet the mandated requirements.

It is the responsibility of the chapter to ensure new members attend their required trainings. Chapters should contact their council advisor for an updated attendance record of new members.
