What is the Multicultural Greek Council?
The Multicultural Greek Council (MGC) was established in 2006 and is the umbrella organization for individual cultural Greek organizations at the University of Oklahoma. It originated with 7 chapters and has grown to comprise of 12 chapters: 6 sororities and 6 fraternities. These include Asian interest, Latino interest, and Multicultural interest groups.

What is "rush"?
"Rush" or recruitment is the first two weeks of school where each sorority and fraternity in our council hosts recruitment events. The first two weeks of "rush" also include 3 events hosted by the Multicultural Greek Council Executive Board: MGC Showcase, MGC Informationals #1, and MGC Informationals #2 mentioned previously.

Do I have to pay to attend these events?
All events hosted by our organizations and our MGC Executive Board are entirely free to attend!

Do I have to identify with a certain cultural group to join?
All of our organizations under MGC are culturally based in history, but not in the way they recruit. You do not have to identify in a specific cultural group to pursue membership in any of our chapters.

Ready to join our Council?
MGC has been able to give me a support system unlike no other and we are excited for you to join our family! Each organization in our council is unique but we all have the same goal to graduate our members and build our own communities. As the Vice President of Recruitment, I want to provide a space for students to participate in Fraternity and Sorority Life on a grander scale. I would love to guide you in finding the organization for you!

My brotherhood has given me the opportunity to give back to my community and build unforgettable bonds and memories. For that reason, I hope you find your life-long brotherhood/ sisterhood in MGC!
