Transfer Map Catalog Year: 2026-2027 (1 of 3 years)

Note to students: This transfer map provides a semester-by-semester guide to how an Oklahoma City Community College associate in diversified studies transfers to OU bachelor's human relations degree program. This transfer map is based on a full-time schedule (minimum 12 hours each fall and spring semester) and is just one example of how a student may successfully complete degree requirements for both degree programs. Taking fewer than 12 credit hours per semester will lengthen your time to complete a degree. Students should work with an Oklahoma City Community College advisor and their respective OU Transfer Admissions Counselor to ensure they are on-time and on-track for transfer.
