900301 A resolution thanking Student Affairs (Bender) (Do Pass – Exec)

**Allen sec Corbaz**

Bender – Student Affairs is pretty awesome, so I wanted to write a resolution thanking them for the great job. I hope that if you haven't worked with them, that you get the opportunity to do so.

Wormley – Would the author object to friendly adding actual names of Session 88 89, friendly added  
Carlough – Friendly requesting this resolution be printed in a larger size standard sheet? (no)

900302 A Resolution Requesting George Regrow his Beard (Naqvi) (Do Pass – Exec)

**Wormley sec Allen**

Naqvi – One day I was on the first floor of Conoco, and I saw this new guy sitting where George normally sits, and I went into Joe’s office to ask who this new guy was. Joe responded that “oh that’s George.” And I was very surprised. So for no apparent reason this mighty powerful beard was stricken from us. I think this is a big campus issue that needs to be resolved.

Corbaz – Would you consider a moustache?

Naqvi – No

Allen – Is it in the authors opinion that the style, size or grooming of the beard was the best? Or combination of three?

Naqvi –All three.

Carlough Friendly to add Harden and Santa Claus

Accepted

Weiss – If we could magic his beard back?

Wormley – My concern is how we intend to deliver this to all men considering shaving?

Naqvi – Oh we can do it.

Shapiro – Send it to the World Beard and Moustache Association? \*Added

Sweatman – What are you hoping Governor Mary Fallin will do?

Naqvi – I hope she writes a letter or phone call to his office to urge him to regrow it. I believe through pressure he will.

Allen – If George’s Beard were a fictional Disney character, who would it be and why?

Naqvi – (deferred to Tonya. We have to analyze the different characters of Disney. So I’m going to say the Genie because of his intelligence and fun to be around).

Allen – Would “you’ve never had a friend like me be the song?”

Naqvi – (deferred to Kiper Yes)

Carlough – Earlier someone had mentioned that George would grow it longer, would the power increase if the length of his beard increased?

Naqvi – yes

Carlough – What kinda powers?

Naqvi – Special powers fo

Weiss – I’m asking on style, what if he braided his beard?

Naqvi – I would encourage it.

Berry – Would George growing it out increase SGA productivity, what length?

Naqvi – it would take over 18 years...(on information, the Beard has been cut)

Carlough – Correlation between George’s social life and the beard?

Naqvi – I’m not aware.

Carlough – Relation with OUMM’s?

Naqvi – I feel like there are more actually.

Corbaz – It says the power of said facial hair was

EMERGENCY CONGRESSIONAL RESOLUTION NO. 900302

AS INTRODUCED

An emergency congressional resolution urging the return of Karsa George Ahmadi's facial hair; and providing for distribution.

NOW, THEREFORE, BE IT RESOLVED BY THE UNDERGRADUATE STUDENT CONGRESS THAT:
