Diversity, Equity, and Inclusion for Students Guide
Welcome to the DEI online course guide.

Within the online course you will be able to navigate through the material at your own pace.

As you navigate this, there may be areas where you think you may be “stuck”. The course is dynamic, so you might click or hover with your mouse over a spot that may seem informational and you may need to click there and view the contents or activity in order to advance.

Below are some icons and places that you may overlook but will be helpful to identify as you move through the course.

If you are still stuck once you’ve viewed this, email us at diversity.training@ou.edu
